Dear Parents & Students,

The BINA administration and staff make every effort to ensure a satisfying and fulfilling year. Our doors are always open if there is anything you wish to discuss.

In order to assure that our parents and students are fully apprised of BINA school policies, it is imperative that every family reads the Student Handbook carefully. Please sign this form and return it with your daughter on the first day of school.

Mrs. Aviva Harpaz & Ms. Linda Peck

We have read the 2010-2011 Student Handbook in its entirety.
